 **Michael Honkoop** is 😞 feeling emotional. Admin · March 28 at 9:29 PM

[Glow] (this post is edited as i still need to find the corect way in which i can express this correctly)

Dear Guild, today i have to bring you sad news.

This evening i was contacted by Talzan one of our World of Warcraft guild Members that his father, an Officer and very active member in our guild had passed away due to (presumed) heart-failure and was asked if i could inform the guild ... the news of this struck me like lightning as this officer was also a person i considered to be my moral compass in the game on decisions which i was struggling with.

We all know/knew (damn its hard to write this in past tense) him as 'Pops'

Even tho we have never met outside the game, and only know his voice he was the kind of friend anyone would like to have, and was always there to poke me when i needed it, and gave me insight in how to deal with situations as Guild Leader.

My thoughts go out to Talzan (i dont even know his real name) and other family which Pops leaves behind.

**Gisèle Berneen Potgieter** [Aza] I'm truly sorry to hear. It comes as a shock and I'm in such disbelief. Part of me is expecting to hear Pop's voice just come on mumble and say "Hello peoples, how is everbloody doing?". I can say he will be sorely missed, puppies, inappropriate jokes and all ❤️🌸

There are many fun/good ways to describe pops. He was a very kind and understanding man. My condolences to his family and loved once. He will always be with us in our hearts ❤️😞
